SCRUM MASTER

GEEK  SUNDRY

webmaster@hotmail.com

“In my mind, a Scrum Master is the equivalent of a Project Manager in the Agile world.”

WHAT EVEN IS A
SCRUM MASTER?

Scrum Agile Master Coach/Trainer

Oversees the governance structure across the initiative teams, or across multiple products.

Conduct necessary meetings,
and is responsible for schedule,
and status tracking.

**Develop detailed work plans,
schedules, and status reports.**

WHAT DO
SCRUM MASTERS
DO ALL DAY?

CANDY!

Work with PO to Keep Jira Updated

Schedule a Team Event

Regulates/oversees/maintains the scrum process for the team

Keep Scrum on track

Facilitate all Sprint Ceremonies

Bridge b/w business and dev. keep the team agile.
